## Professional HVAC Contractor Web Site

Get an edge on your competition. Go on-line with an E-StorePRO<sup>SM</sup> that represents your company the way you see it.

- Custom designed site using Contractor's own branding
- Unlimited pages include Home, Company Info, Locator, Policies, Downloadable Literature Library and Employment Info
- Useful online forms for service requests, warranty registration, and more

## Award-Winning E-Commerce Capability

Use your E-StorePRO to extend your services to your customers - 24 hours a day - with secure, safe, and easy online shopping.

- Honeywell catalog plus equipment from other manufacturers
- Powerful shopping cart provides industry leading features
- Promote your products/services with sales, specials and coupons

## On-Demand Webmaster Services

WebStack provides the design skills, e-commerce expertise, and internet savvy to make your on-line business a success. Monthly service fees include:

- Adding/Editing web pages, shipping, sales tax, and configuration
- Catalog maintenance
- E-Commerce consulting for building your on-line business
- Optimizing your website for search engine listing
- Staff training on order processing and E-StorePRO capabilities

Additional fees may apply for building additional catalogs, dedicated servers, or service features beyond the E-StorePRO<sup>SM</sup> baseline. E-StorePRO<sup>SM</sup> fees can be submitted for co-op reimbursement. E-StorePRO<sup>SM</sup> sites will be linked to Honeywell's distributor locator.
